

## 8<sup>th</sup> Behavioral Macroeconomics Workshop: Heterogeneity and Expectations in Macroeconomics and Finance

June 25<sup>th</sup> – June 27<sup>th</sup>, 2026

### Call for Papers

Following the success of the past editions at the University of Bamberg and Heidelberg University, we are pleased to host the 8th Behavioral Macroeconomics Workshop at TU Wien, Austria, on June 25<sup>th</sup> – June 27<sup>th</sup>, 2026.

Confirmed **Keynote Speakers**:

**Bruce McGough**

University of Oregon

**Daniela Puzzello**

Indiana University Bloomington

We particularly encourage submissions of new work on the following topics:

- Bounded rationality and learning in macroeconomic models
- Macroeconomic models with heterogeneous expectations
- Agent-based and network models in economics and finance
- Experiments on macroeconomics and financial markets
- Empirical analysis of expectation formation in macroeconomics and finance
- Big data and artificial intelligence in macroeconomics and finance

For further information, please visit [behavioralmacro-workshop.com](https://behavioralmacro-workshop.com).

### Paper Submission

Prospective speakers should submit a PDF file of their paper or an extended abstract of around one page to [bmw.tuwien2026@gmail.com](mailto:bmw.tuwien2026@gmail.com) by **Tuesday, March 31, 2026**, at the latest. If you are a graduate student (MSc or PhD), please also indicate if you would be interested in presenting your work in a **poster session**. Notification of acceptance will be given by the end of April 2026.
